Contents

01 1. What cookies are

02 2. Technical cookies used by the website

03 3. Third-party content

04 4. Analytics and profiling cookies

05 5. How to manage cookies from the browser

06 6. Rights of the data subject

07 7. Updates

This Cookie Policy explains which cookies and similar tools the website uses, for what purposes and how to manage one's preferences, in accordance with Art. 122 of Legislative Decree 196/2003 and the "Guidelines on cookies and other tracking tools" of 10 June 2021 issued by the Garante per la protezione dei dati personali – Italian Data Protection Authority. The data controller is Air Corporate Srl, with registered office at Via Valosa di Sopra, 9, 20900 Monza (MB).

1. What cookies are

Cookies are small text files that the websites visited send to the user's device, where they are stored in order to be transmitted back to the same websites on the next visit. Similar tools, such as the browser's local storage (localStorage), perform similar functions.

2. Technical cookies used by the website

The website uses technical cookies and tools, which are necessary for it to work or to provide a service requested by the user. Under Article 122 of the Italian Privacy Code, no consent is required for these tools.

- **pll_language** – first-party technical cookie that stores the chosen language. Duration: 1 year.
- **ac_consent** – first-party technical cookie that stores the choices made in the banner on third-party content, so that it is not shown again on every page. Duration: 6 months.
- **ac-version** – information saved in the browser's local storage that remembers the chosen graphic version (Alba or Tramonto). It is not sent to our servers.
- **wordpress_test_cookie, wordpress_logged_in_*, wordpress_sec_*** – technical session and authentication cookies used only in the website administrators' reserved area.

3. Third-party content

Some pages, in particular Journal articles, may include content hosted by third parties, such as YouTube videos (Google Ireland Ltd.). This content is not loaded when the page opens: a placeholder is shown instead and the content is only activated if the user chooses so, by clicking on the placeholder or through the banner. Until then, no data is sent to the external service.

The banner shown on the first visit allows users to accept, reject or choose third-party content with the same ease; closing it with the "X" means continuing without accepting. The choice is stored for 6 months and can be changed at any time from the "Cookie preferences" link at the bottom of every page.

Once activated, external services process data according to their own privacy policies: Google/YouTube (policies.google.com/privacy), Meta/Instagram (privacycenter.instagram.com), LinkedIn (linkedin.com/legal/privacy-policy). Links to Instagram, LinkedIn, WhatsApp and Google Maps open the respective services in a new tab.

The Instagram profile images shown on the website are copied to our server: viewing them does not involve any connection to Meta.

4. Analytics and profiling cookies

To understand how the website is used in aggregate form, we use an internal statistics system installed on our server, which does not use cookies or other tools stored on the device, does not record IP addresses and does not create profiles: it only counts page views, the general source of the visit, the language and the type of device. The data are not disclosed to third parties and are deleted after 25 months. Given these characteristics, under the guidelines of the Italian Data Protection Authority, no consent is required.

The website does not use profiling or marketing cookies or third-party analytics tools. Should any be introduced in the future, they will only be activated with prior consent given through the banner, and this page will be updated.

5. How to manage cookies from the browser

The user may block or delete cookies and stored data via his or her browser settings. Disabling technical cookies may impair certain website functions, such as remembering the language. Instructions:

- Google Chrome: support.google.com/chrome/answer/95647
- Mozilla Firefox: support.mozilla.org/kb/delete-cookies-remove-info-websites-stored
- Apple Safari: support.apple.com/en-gb/guide/safari/sfri11471/mac
- Microsoft Edge: support.microsoft.com/en-us/microsoft-edge

6. Rights of the data subject

For the exercise of the rights provided for by Articles 15–22 of the GDPR and for any other information on the processing of personal data, please refer to the Privacy Notice. Requests: privacy@aircorporate.it.

7. Updates

This Cookie Policy may be amended following changes to the website or to legislation. The date of the last update is indicated at the bottom of the page.

The version published on the website at the date of consultation prevails. aircorporate.it/en/cookie-policy · Last updated: 18 November 2026
